

# NEWBIRTH

God has a special love for the household of faith called New Birth!

We praise God because He is just 'that' good! All of our needs are supplied by His riches in Glory!

God gives us His Peace and His Blessings! We are completely covered by Him who protects us from both seen and unseen danger!

We spread the word of the goodness of God! We trust Him, and He steps in right on time!

We have the love of Jesus deep down in our hearts! We love our Lord! We wait on Him, and we are of good courage!

God strengthens us through strengthening our resolve! He is about to shift us! He prepares a table before us because our enemy has to see our breakthrough, then go tell everybody else! Even our enemies have to see God work in our lives!

We understand God's riches! It is all about God! We rise up to His understanding!

We deny ourselves; praise God and celebrate the joys, victories and blessing of our brothers and sisters in Christ!

We keep on praising God for He is still doing something new in our lives!

We praise God together and He teaches us to celebrate the journey! God called us to inconvenience, not convenience; we take up our cross and walk!

We are bought with a price that comes to us with requirements! We keep moving by the Spirit of God!

All of our help comes from the Lord! God provides opportunities for us corporately and individually!

God will not withhold any good thing from us! Everything comes to us in His will and timing!

Our spiritual midwife encourages us to push out the baby God has given us!

Our Father God is on-time, and in-time. In the time of trouble, He hides us in His pavilion!

We do not grow weary; for we will surely reap if we do not lose heart!

Every sickness is not unto death; but that the Glory of God shall be revealed! But God!

We all go into the presence of God with our praise!

# NEWBIRTH

We do as Jesus does! We give thanks to God our Heavenly Father because we know He hears us!

The presence of God prevails against our situation!

As Jesus called Lazarus from the dead; in His Hands; we come forth too! Weeping may endure for a night, but joy comes in the morning!

Every day, life is a miracle! God shows up in time and gives us our provision! He brings us out and carries us through every situation!

Our joy remains for God is blessing me and my house! He is continually good to me and my family! We praise God while we are here, for He has brought us a mighty, mighty long way!

We remain focused on the ministry vision and assignment God has given us and live life with joy!

We obey the Holy Spirit and the word of God; for our steps are ordered by Him! We walk in His word!
