Dr. Jamal H. Bryant – “Back Up Off Me”, Sunday, March 22, 2020,

Scripture: Romans 8:35-36 NIV

We are under God’s Grace and Mercy! God has put boundaries; a hedge fence of protection around His children, therefore we are not worried or stressed out! We remain firm and strong as we set up appropriate family member boundaries and stay in our lane! The battle is not ours it is the Lords! Thank you, Lord, that because we know what we are supposed to be doing, we know what we are not supposed to be doing! In You, we have a future destiny and a future assignment!

At this time of social distancing, we are staying indoors, implored to cut off relationships and do not let anyone in. Remember, we do not have to be lonely even if we are alone! What shall separate us from the love of God? We will not let anyone separate us from our relationship with God! We will not let this virus, depression, anxiety, loneliness, or poverty separate us from the love of God; for we are never distant from His grace and presence!

Our breakthrough, our miracle is closer than it appears!

Thank you, Lord, for the portal you have established for us to worship and come together in even in the midst of isolation!
