

NEW BIRTH

We the members of New Birth are all on Team Jesus! We are a family and admit we have a problem if our edge is lost because when one of us falls, everybody loses!

After determining what caused me individually to lose my edge; (my sharpness, my keenness, my advantage, my superiority) I seek God, and find an accountability partner in a brother or sister in Christ to help me get it back! Father, we repent for losing our way. We repent for being lackadaisical, for letting our passion wane, for letting our fire die out, for not moving ahead, for not running after you and for being lazy! We repent for not moving ahead in our careers; for not pursuing our education. Father, we ask you to take us back to that place of purpose! Thank You, Father God that You always give us a new opportunity to keep moving forward! We, the Body of New Birth each take a self-inventory then get to work on the skills that will advance us individually and as a corporate body! As we ask God to sharpen us, He gives us back the things we have lost. God created us to be just the way we are! Everything we have is a gift from God! We will not lose our creativity or individuality because we realize the value and expense of the gifts God has given us. We call our play and see what happens!

The Blessings of the Lord are coming to us from every which way! We obtain wisdom, take in the Word of God and hide it in our hearts!

Thank You Lord God, that You do not want us to lose our edge! We have an expectation for our edge and it is our desire to keep it and be sharp for you! Father we stay in a place where we hear from you! We stay where we are supposed to be to receive what You promised us! Thank You, Lord for promotion and increase!

You Lord are our rock, our strength, our high tower, our standard bearer; our standard, our restoration, our sharpness and our fire! Father, we want to be everything you called us to Be! Thank You, for restoring our passion, victory, and intensity!

Lord God give us the desires of Your Heart and let them burn within us! Lord You light us with Your Fire! We declare and decree your flame will never go out! We are on fire for You, a people and a church with Your Fire and Your passion within us! Thank You, Lord there is Holy Fire at the altar!

Thank You Father, that our God dreams are birthed from You in the Name of Jesus and the Lord Jesus always answers us when we call on Him!

We are a church and a people on fire! We advance the kingdom of God!

Father God, we praise you Lord in Jesus' Name!

From the message, "Don't Lose Your Edge", by Executive Pastor Carla Stokes, Sunday, October 21, 2018.
