MISSION STATEMENT

To develop children in Christ-Like character as they excel academically and spiritually.

BELIEFS

We believe all students can learn.

We believe students learn best when they are actively engaged in the learning process.

We believe students learn best when they are at a level that meets their individual needs.

We believe that students excel through their unique talents and abilities.

We believe a safe, comfortable and creative environment fosters effective learning.

We believe Instructional practices should incorporate learning activities that meet the varying cognitive styles of individual students.

We believe High expectations will result in high achievement.

We believe positive relationships and mutual respect among students, faculty, parents, and the community enhances students' learning and self-esteem.
