

# HELP FOR HAITI

Photo: Reuters/Eduardo Munoz

“Our hearts go out to the people of Haiti who need our support in this time of great calamity. We will do all that we can to provide humanitarian assistance and give them hope as we lift them up in prayer.” **Bishop Eddie L. Long, Senior Pastor, New Birth Missionary Baptist Church**

Please help get relief to Haiti to help God’s people recover from the devastating Earthquake. Small donations can add up to relieve the suffering of thousands of people. If you donate items, the priorities are: canned food that doesn't need cooking, medicine and drinking water.
