“I Want More Presence” by Pastor Dr. Jamal H. Bryant

Scripture Reference: Psalm 16:11

Father God, this season we want more of your *presence* over presents. 1.) We need Your *presence*, God, for our *memories*: Our children always remember the time they spent in our presence more than the presents we have given them; just as we as children remember the presence of our parents. Also, how can we forget all that You have done for us, Lord? Father, we want Your *presence over materialism!* We need Your *presence* God, for our *mindset* because our happiness is not contingent on what somebody buys us, for we must find happiness within. Lord, we are happy for how You have blessed us this year; we remember the joy, laughter, smiles, and good vibrations of being with You! As we are reminded of what You have done, we shout in the middle of our circumstances!

Thank You, Lord God, for there is a call on my life and I cannot be destroyed, despite what I am dealing with. Our closeness to You comes with Your protection, and Your joy, Lord — which is the strength of my life! Thank You God, for Your Hand is on our lives. Your *presence* does not only show up in the sanctuary, God; You said there is so much glory in our lives that the people closest to us are about to have an open door! Father, we need Your *presence!* You said, if we bless You, You will turn our home into a sanctuary! Thank You for Your Glory which is voice activated! We lift our hands and worship You, Lord God! We want and need Your *presence!* Thank You, Lord, for according to Psalm 16:11, “*You make known to me the path of life; you will fill me with joy in your presence, with eternal pleasures at your right hand*” (NIV).
