

# NEW BIRTH

Dr. Jamal-Harrison Bryant  
Pastor

Dr. Jamal H. Bryant, Sunday, January 12, 2020:  
"I Wouldn't Wish It on My Worst Enemy"  
Judges 4:18-21

We declare Shalom over families of New Birth: Nothing missing and nothing broken.

We declare no limitations to our mobility.

We declare Shalom over our lives —nothing missing, nothing broken.

We declare, every man, father, husband, brother will not have to contend with prostate cancer.

We shall not die but live.

We declare healing in our bodies before the year is over.

We decree and declare that New Birth is a holistic ministry.

We are not of this world, according to John 15:19...

We declare New Birth is getting ready to win it all: Exodus 3

We declare this a fertile season and we will produce in record-breaking numbers. This is our birthing season!

We are planters; watch God increase because He gives the increase.

As for me and my house, we shall serve the Lord. We declare no negative word, or disrespect shall be in our house. The Spirit of the Lord is in our house, and God dispatches His angels to our house.

We will shout before the Lord and give Him all praise.

We declare that God is going to anoint our strategies and concepts.

We declare that God is the Greatest Power, we shall never be defeated.
