

NEW BIRTH

We celebrate the installation of our New Pastor, Dr. Jamal H. Bryant!

God said; like never before you will see over the next 72 Days, I am standing over my word to perform it! I am standing over you to perform it and I am standing over you to protect you!

The Lord of Hosts says: Fear not, no power of man or demon of Hell shall be strong enough to stand against what I am doing in your lives and this Church!

Everything that has been holding us back, shutting us down, standing in our way, restricting us, limiting us, intimidating us; and causing fear and distraction is getting ready to stand still and back up! Any curse of our childhood and negative voices can no longer hold us back!

There was a famine in this land!

Thank You, Father God for over the next 10½ months we will see new things, new opportunities, new breakthroughs, and new possibilities!

Thank You Lord God that you love outdoing yourself! You never do less today than you did yesterday!

What we have been imaging is too small for what God is opening up before us! It is huge...massive! We will be ready!

Everything we have been involved in and preparing for is for this season right now! Something is about to break!

We are a Great People! We have a Great Leader! We are part of a Great Church! We have a Great Vision! We are New Birth!

I am a Great Person! I serve a Great God! I have a Great Pastor! I am part of a Great Church! I have Great Opportunities in front of me!

We have Great Power! We are a Great People and We have Great Power! We have Great Ability! We have Great Potential! That is Why God is giving us a Great Assignment! This is the season of Great Expectations!

God has set before us an open door! No one can remove it and no one can shut it!

My door fits my calling! Your door fits yours! My door fits my frame! Your door fits yours! My door fits my purpose! Your door fits yours! My door fits my destiny! Your door fits yours! There is no jealousy and envy among us!

NEWBIRTH

For the next 72 days God is going to resurrect our spirits to get us ready for our big breakthrough!

I have High Expectations!

I expect God to open up doors!

I expect God to do what He has never done in my life!

I expect God to make ways out of no way!

I expect God to give me unmerited favor!

I expect good health!

I expect supernatural increase!

I expect something beautiful to come out of my life!

I expect God to restore the joy of my salvation!

I expect God to put me in the right place at the right time, with the right people at the right time! My expectations are high!

As God stood with Moses, He will stand with Joshua!

From the message 'I'm Expecting Great Things', by Bishop Neil C. Ellis, Sunday, March 10, 2019.
