

NEW BIRTH

I am highly favored of the Lord! I am full of strength! I am full of power! I am full of determination! What I cannot make happen on my own, God will make happen for me! He is directing my footsteps and in His perfect timing everything will be all right! He does not want me to end this year unhappy, lonely, depressed or broke! God will complete everything He started and what He has is now in full effect! I am ending strong!

Something new is getting ready to happen to the church and in our individual lives! God is sovereignly working behind the scenes on our behalf, whether we see it or not!

Lord, I am exchanging the spirit of heaviness for the garment of praise! I let the past go! It is time for me to get up and move forward!

I am careful to watch what I say during this season!

I cannot judge another man's heart for man looks at the outward appearance, but God looks at the heart!

We are looking for the next wave of glory in both our corporate and personal lives!

What God has for me is for me! Thank You, Father God that you have already filled my position with me! Somebody with power, influence, and ability who can open doors for me is getting ready to send for me! Somebody is calling my name right now! My next promotion will not happen in private!

The Holy Spirit has anointed us with divine protection and empowerment for our assignments! He is about to do something brand new and give us a new brand!

Our signature is shifting!

Our trademark is being elevated!

We are not who we were!

Just as God does not give up on us, we will not dismiss or give up on any of our children!

From the message, 'It Can't Happen Until I Get There', by Bishop Neil C. Ellis, Sunday, November 18, 2018.
