Scripture: Philippians 4:8 NIV

God is able, despite our circumstances! According to Philippians 4:8; we think on what is true, honest, just, pure, lovely, of good report. We think on these things; for we are in quarantine from negative thinking! We trust God even in the midst of the psychological impact of the events of this year! Jesus said I am the way, the truth and the life!

We think differently regarding our relationships with our spouses and children! For the present time what we have is a gift from God!

The enemy of our soul deals with our past because he has no authority over our present! We are flawed but perfectly blessed! My future will be better than my past, for I will be better when I get through this! We must go through the process!

If we think, we have to Thank! We think about our destiny, our call and our assignment!
