

NEW BIRTH

Father God you know we needed a sign, so we ask You to give us a sign! Thank You for giving us a rainbow for a sign!

Lord You said to go after everything You put in our hearts, in our spirits, in our minds and in our dreams! We are grateful this is the month we take our foot off the brake and go for it! I am going to go for it!

Thank You, Father that the storm (raging) in our lives is officially over and You have made available everything we need to rebuild our lives!

Father you show us that sometimes we don't fit into our environment. There is something different about my life! I am not regular, average or run of the mill! I am different from everything connected to me. My struggle is evidence of my anointing! Thank You, Lord God for the miracles You produce without human assistance! I am blessed without receiving outside help!

Father God I am grateful that you are going to use me to break every generational curse in my family! Today we take off the head of whatever serpent is in our homes! There will be no more disrespect or dishonor in my house! Jesus is the fisher of men! As we lift Him up, He will draw all men unto Him! In this fishing season, many people will be pulled from the abyss of sin and brought into the Kingdom of salvation! Many are coming back to Christ! Thank You, Lord!

Hallelujah! For this is the season all of our needs will be met! Everything will stretch; our money, our paycheck, our joy, our peace, our anointing, our ideas, our businesses, our resources, and our finances! We praise God that nothing is going to run out and we will pay every bill!

Thank You, Father, that nobody can do me like Jesus!

Thank You, Lord God that if You are for me who can be against me?

From the message, "Miracles Still Happen", by Pastor Dr. Jamal H. Bryant, Sunday, March 3, 2019.
