

NEW BIRTH

God has a plan for New Birth! What we do in the in between is vitally important! God cares about our in between! The strength of the Body of New Birth has been revealed in the in-between and New Birth is handling the in-between quite well! There is always a beginning, the middle and the next!

God has already taught, trained and given us everything we need to be successful!
We thank God for the bonus! He has been really, really good to us!

God trusts us to take care of His talent, i.e. gifts, skills, and abilities. He has trusted us with great wealth in the talent, and He expects and is looking for a return on His investment!

What talents, skills and abilities has God given me? God gave us talents that are to be used in our sphere of influence! God knows our ability because He created us; and He gives to each of us according to our own ability!

God puts more on us than we can do in our own strength because He wants us to depend on Him. He is telling us...no more excuses! He knows our ability and we give to Him what He requires of us!

God wants us to take the risk and invest our finances intelligently. He is looking for an increase! God has placed a double anointing on us if we are good stewards with what He has given us! Father, we Thank You for anointing our hands and capacity for a double anointing!

We have more inside of us than we ever realized! We have the ability to manage what God has given us and the ability to double what we manage!

I am going to use the double anointing God has given me! No more excuses for being quiet and silent!
We can stand in a double anointing of joy and peace!

We receive the awakening of wisdom in us because there are no more excuses. We expect to open our mouths and wisdom comes out! We expect to move exceedingly, abundantly above all that we ask or think because God has placed a double anointing on us! Double! Double! Double!

We already have the power of the Holy Ghost inside of us, wisdom, counsel and might; and the Seven-fold Spirit of God upon us!

God is awakening in us the reality that we have the ability to do more! He has given us greater ability than we realize that we have! We have to work the ability that is there. No more excuses!

Excuses are things we say stopped me. God wants us to push past the excuses and take the ball in our own hands and see what we can do to make it happen!

No more excuses!

NEWBIRTH

God has given us all things necessary for life and godliness! He expects us to reproduce after our own kind. He expects us to witness and tell other people about the Lord. He expects us to bring others into the Kingdom!

There is a yoke destroying anointing in the house; a double anointing to remove the troubles and break the barriers that seemed like they were obstacles in our way. God said today I am giving you that double anointing to break that barrier!

It is time for the walls to come down in the Name of Jesus!

There are yokes that have to be completely destroyed today! Enough is enough! Thank You, Lord God for destroying the yoke! Thank you for destroying depression and yokes that have kept us down! We are delivered to our breakthrough!

Father we commit to be who you called us to be! There are no more excuses. Nothing else is hindering, nothing else is blocking. There is nothing else that can stand in our way. God has got us front and back on every side!

Thank You, Lord for being the lifter of our head!

Some of us have great wealth and some have great weight in the spirit!
