A Corporate Prayer and Fasting Experience
Fresh Anointing Service – On the Day of Pentecost
Sunday, May 19 8:00 AM & 10:30 AM

We, the saints of the most High God, must rise and possess all that God has ordained for our lives. The rest of this year 2013 will bring great opportunities for us as the Body of Christ and for you individually to live life empowered and supernaturally, for the Kingdom of God has come with great power and authority to be demonstrated in the earth by the believer. So, as we press in for more of God let us now prepare for another great outpouring of His glory like never before.

We have entered into 50 days of Corporate Pentecost (April 1st – May 19th). Pentecost is a major festival in the Body of Christ that is celebrated on the Sunday that falls on the 50th day after the resurrection. It was the greatest outpouring of the Spirit of God upon and within the disciples. It was also the day the formation of the church was established in the earth. From that day on, God through the Holy Spirit has resided on the inside of every believer that has received the baptism of the Holy Spirit. Holy Spirit empowers us to live life on purpose through instruction, leading and guiding.

Now that we have completed our 21-Day fast, we will continue on The Road to Pentecost with a unified focus each day using this devotional guide. As we approach Pentecost Sunday, we continue to present ourselves unto God for the purpose of total transformation. We rededicate our lives to the Lord so that His will may be done in and through us. This is carried out by moving away from our old normal, habitual ways of doing things as it pertains to our relationship with Him. This is a time when we must seek the Lord with all of our hearts so much so that an insatiable appetite for the things of God permeates our beings and become our new normal. Our praise and worship will increase exponentially, along with our prayer life, and through all of this the study of His Word will be our desire, as the full stature of Christ is formed in us, so that our nature, character and actions always reflect Loving, Living, and Leading like Christ!
Remember that the God we serve is a relational God and as we move toward Pentecost, He’s calling us first to Himself then to one another for the purpose of being ONE and receiving a greater impartation of His Spirit. During these 50 days, we individually and corporately spend quality intimate time with God through prayer, intercession, praise and worship. We want to live and experience the continual outpouring of the Holy Spirit through love, unity, covenant, community, supernatural power, strength, anointing and authority while at the same time witnessing the destruction of yokes such as; sickness, disease, addictions, bondages, and strongholds. Christ has come to set the captive free. Therefore, over these 50 days we are very intentional to encounter our Holy God like never before. We set our affections on things above and expect His glory to saturate our lives through His continual tangible presence! That is the new normal for us the believer!

On this journey along the road to Pentecost, we are growing together in the Lord – Loving, Living, and Leading like Christ in the Power of One!
