New Birth:

New Birth, your obedience, sacrifice, and consecration in the month of January has prepared the way for breakthrough that is coming your way. It has also positioned you to hear from ME clearly in the month of February. So don’t get discouraged or despondent by anything the enemy has tried to send your way or by what you see or experience in the beginning of the month. There are some individuals whose faith has been scarred and bruised, but I have come to heal you and give you rest. Some of you find yourself in the wilderness, lost, and you don’t know how to get back on track, but I want you to know that I am here for you regardless of your circumstances. All you have to do is ask and trust Me. I will guide you back to a place of safety. I have people already setup and prepared to help you along the way. I say ask Me for the ancient paths where the good way is and walk in it. For all you have to do is open your mouth and ask for help. For this is a month to push through and don’t get worried or give up. You will reap and gain ground this month. I say stay the course. As you stay the course, you will see that those road blocks begin to dissolve. You will see springs and pools of provision begin to develop right out of nowhere, especially towards the end of the month.

This is a month New Birth where I call for you to cease from labor and toiling. You have tried to do somethings in your own strength. I say yoke up with Me for My yoke truly is easy and the My burden is light. For as you yield to Me and learn of My ways, watch how those prayers and desires begin to come to pass. As you yield to Me, watch how I show you new ways of doing things and new ways to advance. Take a leap of faith and trust Me to handle things. Invite My Holy Spirit into every situation and watch how I will make the scriptures come alive in your life. For know that I have given you the keys to unlock the doors of destiny and purpose in your life and others, but it is up to you to use those keys. As you unlock those doors, I will bring new revelation, understanding, and a fresh perspective to those unresolved situations that have been lingering. I am ready to give details and instructions to those plans this month so get the pen, pad and recorders out because the answers and visions will begin to flow.

New Birth, February is also the month to launch out into the deep and prepare your nets for a catch. Know that I have already prepared the harvest for you. I know that some of you have said that I have been this way before and others are saying we worked, knocked, asked, sought and nothing has happened. I say go back again and launch into the deep and let your nets down on the right side, then watch and see that there is a harvest waiting for you. This will re-quire you to trust Me at a greater level. Some of the struggles you are having have been for you to release your faith in those areas where there has been hope deferred. For the enemy has tried to bring hurt and trauma in different ar-eas, but new wine of joy is being poured out this month. Hope deferred, de-pression, and despondence will be broken off this month and replaced with advancement, anticipation, and excitement. As you round out the end of the month and into March ask Me for the rain in the time of latter rain and I will give it to you.
The prayers for souls will begin to be answered this month. So New Birth, get ready and prepare yourselves for the harvest of people that are coming soon. Now is the time for you to get the structures in place so that you can properly process and raise up the harvest for My kingdom.

WE DECLARE THAT THIS WILL BE A MONTH OF BREAKTHROUGH, ANTICIPATION, JOY, AND ADVANCEMENT

WE DECLARE THAT THIS MONTH WILL BE A MONTH WHERE WE WILL TRUST THE LORD AND LAUNCH OUT INTO THE DEEP FOR A GREAT HARVEST

WE DECLARE THAT THIS MONTH WE WILL DRAW CLOSER TO THE HOLY SPIRIT AND INVITE HIM INTO OUR LIVES IN ALL SITUATIONS

Business and Economy:

Proverbs 8:21  That I may cause those who love me to inherit substance and I will fill their treasuries.....

There is a tsunami of blessings building up in the unseen spirit realm that is about to hit this month for my faithful sheep. My faithful ones are the ones who have been giving for years and years and just faithful to Me. They are the ones who have been advancing the kingdom, the unknown giants who have been in the background and steady plowing the ground. They have been start-ing to wonder does this even work and I am saying this does work. The tsu-nami of blessings is hitting your house this month suddenly. There will be new opportunities and unexpected blessings poured out on you just because I love you and I am a faithful God. Now, when the tsunami hits, it is going to cause an uproar because of the impact that it will have. Don’t be surprised about what your jealous brother may say. But, I am coming for him too and remov-ing the blinders off of his eyes to show him that he can have the same thing too if he just ask. My faithful ones are the ones whom will always be covered un-derneath my pavilion of protection and every envious word that is spewed out towards you is already defused. But, this is the month where I am starting to draw the line in the sand. There is going to be a distinct difference of who is in My kingdom and who is not.

For those of you who are new to the kingdom or it has been a stretch to give to the kingdom, I am meeting you were you are. I am pouring blessings on you too because you have a heart to give. Keep stretching this month and you will see that it is getting easier by the day. I have started to reveal secret things to you regarding the kingdom so you will begin to see and understand the impact of giving to the kingdom and this builds a memorial in the heavenlies for Me to always remember you. I am dropping golden nuggets of encouragement for you to stay faithful to My way of doing things. I want to reveal my secrets to you. I want to increase your vision because tradition and the enemy has blind-ed you in certain areas. I am also breaking off the generational curses of
lack off your life. You are the ones that will receive the inheritance that has been laid in your blood lines for years, but I could not release it because I was looking for someone to turn to Me. I want you to also learn how to manage finances in the natural realm and learn how to make it grow because I am looking for those who can multiply!

For the business men and women in this area, I am pouring out the Spirit of Elijah on you. I am showing you the business strategies of your competitors. I am also going to show you things in advance so that you can always stay ahead of the curve. As long as you stay humble towards Me, I will continue to give you the strengths, weaknesses, opportunities, and threats that are on the horizon for your industry. I am creating marketplace giants in this area. I am giving you this key because I am breathing on the South DeKalb area because it has been written off by so many. But, this area will arise again and things will turn around as long as the people have a repentant heart towards Me and are willing to conduct business that blesses the least of these.

Declarations:

Lord, I openly receive your tsunami of blessings so that I can continue to advance the Kingdom of God.

I will continue to give and learn to multiply what You have given me.

I will continue to walk humbly, love mercy, and walk humbly with God.
