

NEW BIRTH

God can do anything at any moment in time!

The Lord is the same today, yesterday and tomorrow!

We are a transgenerational church and congregation!

Speak Lord, for your sons and daughters hear!

Thank You, Father that our congregation in New Birth is comprised of multiple generations. The Emerging Generation has come into what is already established. We celebrate Emerging Generation Z, the Silent Generation, born after the year 2000 are a learning generation who are now in the correct time, space and place to hear from You and be all You want them to become! We are called to cover, deposit into, and shepherd the Emerging Generation! Father God, Thank You for teaching and enabling us to release them so they can walk in all You have ordained for them!

The Present Generation is the generation between those emerging and what has already been. Millennials born between 1980 and 2000 are the earning generation, making great impact in the earth!

The Baby Boomers, were born between 1946 and 1964. Generation X were born between 1965 and 1979. There are also generations who preceded them.

The Returning Generation are those who are returning to share and impart to the younger generations. By now we should be teachers!

We release all that we have held against proceeding generations! We stop pushing our youth out and begin to bring them in! When we gather, we speak to each generation, those before and behind us! We share all that God has placed in us!

Our children and Emerging Generations are not ours; for they belong to God. We do not oppress or put them into a pit. We protect and cover those who come after us! They will someday manage us!

As Joseph, we have all come through experiences of covetousness, accusations, humility, honor, respect, integrity, purity, anointing, prophecy, commitment, patience, forgiveness and love.

Father God Thank You, for giving each of us the Mind of Christ Jesus! Thank You, for awakening in us all that You have imparted to us which was suppressed and forgotten! It is about what You Lord have placed on the inside of us! Thank You, Lord God that our youth are awakening along with us! We are all wide awake!

Thank You, Lord God for you have made us male and female to bring greatness through us! We are made in Your image and we are more than conquerors!

NEWBIRTH

Each of us will stay faithful and we will stay connected to God, the One we came from. We understand what He has placed in us is what we are supposed to do in our lives and in His Kingdom! It is not too late for us to do something great in the earth!

I bless others for as I am blessing someone else, God has something better for me!
We are empowered for marketplace business!

God speaks to me and through me wherever I go! It is time to get to work! It is time for us to rise up!
