

NEW BIRTH

Dr. Jamal-Harrison Bryant
Pastor

Sunday, December 29, 2019

Thank You, Lord, for our **Pastor Dr. Jamal H. Bryant**, who instructed us on “How to Get Stuff Done”: We first, plan, and then write our plan down exactly how we want it done. Once it is done; leave it alone! He then instructed us to choose to do the hardest thing in the morning before lunch. We are not to waste time proving to others that we are getting it done; announce our completion, not our process! We will not let “blind people” criticize our plan; we will reward ourselves and accomplish our plan for ourselves and not for others. Finally, we will begin self-care, including journaling. However, we will not use Facebook for therapy. In 2020, we are moving from imagination to manifestation —believe God like it is already here!

“The Anointing of an Afterthought” by Bishop Rudolph McKissick, Jr.

Scripture Reference: I Samuel 16:1-13

Thank You, Father God, for instructing us to release what You already told us is *dead*. We quit crying over what God has already rejected. Thank You, Lord, You will bring manifestation to what You have already chosen —and when God chooses us, nobody can stop us! *God anoints afterthoughts*. We cannot concern ourselves about people’s opinion of us ... nobody can steal what belongs to us! When nobody else picks us, we have already been chosen by God. We trust our insight over our eyesight. We learn to appreciate ‘no’ while we wait for the ‘yes’; and we do not leave until we see what God said! If God said, “You will open the business,” keep on expecting it. If you waste your *oil* trying to anoint all the stuff that is not “it”; you will not have any left for when the right thing comes. Hold on to your *oil*! In 2020, God is going to replenish our *oil*; return double! Oil is the *anointing*! Declare, “I am getting my oil back!”

Favor occurs when the odds are against me and God still blesses me! *Favor* for 2020: “God is about to open some doors I am not even knocking on! We say, “OPEN THAT DOOR!” 2020 will be the year I go public with what God has been qualifying me for in private!
