

NEW BIRTH

For the Lord is good and His Mercy endures forever! The Lord is Real Good!

Things are shifting today! We press into the presence of God and preach our sermon through praise! We are the testimony of God!

We are excited and healed in the Name of Jesus Christ!

We receive the command to be blessed, healed, set free, and delivered!

Faith is our key to salvation and we build on its strong foundation! In anticipation, we expect our families and relations to be saved! We praise God that salvation has hit our homes today!

We are justified and found innocent through the Blood of Jesus!

The favor of God has been credited to our accounts!

We come to church expecting to become all God has called us to be and come together to build!

We embrace faith in God and, move from faith to faith with a fresh zeal and passion for Him!

It takes Christian grit and grime for us to move into our place of grace which has been given to us by God. We are pruned and clipped by Him to help us grow!

We are all in, for we surrender and bet our whole lives on Jesus as we rise up in the strength of our God!

We do not forget whose we are nor are we ashamed of the Gospel and the power of God unto salvation! It makes us whole, safe, independent and lifts us above all of our circumstances! Jehovah Jireh is our favor!

We receive the released energy of the power of God to change our circumstances and teach us how to live!

Our season remains regardless of what we see or do not see in our lives! We are possessors and not just professors of faith; for faith without works is dead!

Our God calling is not optional. We must be who God has called us to be!

There is a cost to elevation! God works in our lives daily to smooth and flatten out our issues for our lives are not our own. They belong to Him!

We expect an impactful encounter with our Father God and the gospel. We speak in Holy Spirit tongues with the Power of God which will follow us because we believe!

Our past lives are a witness for the Kingdom of God!

God is the God of the new! Today our day is new! We embrace the newness of God!

We walk in great grace; we walk in mega grace!

NEW BIRTH

God restores our hunger for Him and His Word! We believe You, God!

Father God, fill us with Your Spirit and Power! Lord burn in us! Move mountains, break chains and remove shackles that have held us bound! We call for deliverance and push for our salvation, breakthrough and power!

We Thank You Lord! You call us into peace, joy and prosperity! You call us into deliverance! You call us into a new quality of life! You call us into healing!

We are restored, renewed and refreshed! Father, we cry out to You! We elevate our praise as we push forward to You, praise You and pull on Your Anointing! Lord God, we give you a shout of victory and cross over in the Name of Jesus!

Because we know You Lord, we will do great exploits!

From the message "The Impact of the Gospel", by Apostle Kenneth Law, Sunday, October 7, 2018.
