40 DAY FINANCIAL FAST...

Prosperity Gives You the Power to Bless Others

WEDNESDAY, MARCH 6 – SATURDAY, APRIL 20

Whatever your financial situation, we challenge you to spend the next 40 days fasting! The path to prosperity begins by breaking the yoke to buy, and buy, and then buy some more. Whether you consider yourself a good steward or a spendthrift, all of us consume more than we need.

Join us for our Weekly Lent Prayer Call every Tuesday @ 7:30 AM.

REASON AND STRATEGY FOR FASTING

Through financial fasting we are exercising discipline in our spending and changing our mindset toward the way we handle our money.

Get a journal and write down all the instructions for your financial fast and organize a plan and schedule before you begin. This is important because once the fast begins, you might try to convince yourself to quit. The schedule can then act as a contract you have made with the fast that you must keep. Remind yourself why you are doing the fast and remember that it is important.

FINANCIAL DISCIPLINE

- **PRAY:** Daily for God to give you direction in managing your finances.
- **READ:** Books, blogs, and websites on financial empowerment. This will be sent to you everyday.
- **SET FINANCIAL GOALS:** Work toward paying down your highest bill first.
- **MAKE A COMMITMENT:** Open up a savings account or deposit money into your existing savings account every pay period.
- **SAVE:** \$5.00 a day or \$500.00 a week. Every member will give a sacrificial offering of \$200.00 or \$2,000.00 on Resurrection Sunday (at the end of the fast).
- **PREPARE:** A weekly budget for your household (only spend what you plan for).
- **TRACK YOUR SPENDING:** Write down all expenses (include everything i.e., gas, coffee, lunch, etc.) – you will be surprised as to how much you spend in a week on these items.
- **COOK:** Meals at home (as much as possible) – Limit dining out.
- **AVOID:** Using Credit Cards.
- **STAY AWAY:** From Payday Loans & Check – Cashing Stores.
- **DO NOT:** Go to the Mall.
- **BLACK FRIDAY:** If you must spend, only do it with Black Businesses.
- **NO:** Online Shopping.
- **INVEST:** In your children's future... research ways to help your children understand fiscal responsibility and put them on a financial plan.
- **EXPECT:** Your "net worth" to grow, your "faith" to be stretched, and your "financial seeds" to reap a harvest!
