

# NEW BIRTH

Many of us hide from God because we don't know where we are!

Lord God, I am trying to find my place! That is all I am trying to do!

We now stop pushing ourselves away from others as we have in the past due to childhood emotional neglect. We cannot function healthily with no emotions!

God is about to put each of us in position!

Father God, Thank You that although some of us have dropped the ball, fallen short of Your Glory; messed up, or lived a trifling undisciplined life; we can still hear You in our disobedience!

I messed up, but I am still in church! I did not do everything right, but I am still in Your Presence! I am thankful to you Lord God! Thank You, Father that you have looked beyond all of my faults and saw my needs! It is more important for You God to know where I am; than what I have done! I know when I hear Your voice and when I am in Your Presence!

This moment is likened to a plane trip with a layover. Some people will get off my plane and out of my life; some new people are about to enter my life, and God is giving us fuel to continue the journey and get to our destination!

Time has shifted for us! We are now ahead of schedule for the thing we thought we were late for! Thank You, Father God we are on time for our destiny! We are on time for our assignment! We are on time for our gift!

Thank You, Lord my mistakes do not disqualify me for the promise over my life!

This is the year I accelerate faster than I ever have in my life!

God already has a position for me! He knows the plans He has for my life!

The only place I want to be is in the presence of God!

I know I need you Lord! Thank You for helping me find my place!
