The kingdom of God is the sphere of God’s rule
Kingdom

“The governing influence of a king over his territory, impacting it with his personal will, purpose, and intent, producing a culture, values, morals, and lifestyle that reflect the king’s desires and nature for his citizens.”

~ Dr. Myles Munroe
Genesis 1:1

“In the beginning God created the heavens and the earth.”
Colonization

Colonization is a process whereby a government or ruler determines to extend his kingdom, rulership, or influence with his will or desires.
“Then God said, ‘Let Us make man in Our image, according to Our likeness; let them have dominion over the fish of the sea, over the birds of the air, and over the cattle, over all the earth and over every creeping thing that creeps upon the earth.”
Dominion

To be established as a sovereign, kingly ruler, master, or governor, responsible for reigning over a designated territory, with the inherent authority to represent and embody as a symbol, the territory, resources and all that constitutes that kingdom.
A Kingdom of Kings

- Made in God’s image and likeness
- Given dominion
God gave us rulership, not ownership of the earth. He is ultimately responsible. (Psalm 24:1)

God trusts us to manage the property. (Psalm 115:16)
“Without God we cannot, without us God will not.”
