Father God in the Name of Jesus, Thank You Lord that our children are a heritage from you; the fruit of the womb and our reward. As little children were brought to Jesus so he could touch them in Luke 18:15-17; we lift our children and youth up to you and place them into Your arms and in Your care.

Lord Jesus you told Your disciples not to forbid the little children to come to You because of such is the Kingdom of God. As we lift our children and youth; our posterity and future up to you, we ask first of all for their salvation for those who are unsaved. We wait for your salvation Lord, because we know that it is your will that each of them truly becomes a child of yours, the Most High God. The next generation, the ones that are called the Millennials need you Father. They need to learn to truly seek your face and develop an intimate relationship with you before they learn to seek your hand.

The Children of New Birth Missionary Baptist Church and the Body of Christ are a chosen generation, a royal priesthood, a holy nation, your own special people, that they may proclaim your praises who called them out of darkness into Your marvelous light. Thank You Father God in the Name of Jesus You anoint them as you anointed their fathers, that they may minister to You as priests; for their anointing will be an everlasting priesthood throughout their generations. Father we place our children under the shadow of Your wings and we trust you to care for them, protect them and keep them from all hurt, harm or danger each and every day of their lives. Lord God we are eternally grateful that you are our children’s strength, their song, their salvation, their habitation, their shield, their high tower, their refuge and their savior. You save them from all kinds of violence in thought, word and deed.

Thank you Lord as they learn to exalt you in spirit and in truth. Father give them your wisdom which begins with a holy life and reflects their getting along well with others. Your wisdom is gentle, reasonable, full of mercy and full of blessings. It is steadfast and helps develop our children into healthy individuals. Help them learn to treat everyone they come in contact with; with respect, dignity and honor; treating others the way they wish to be treated. Lord you said in your word:5 “Before you formed our children in the womb you knew them and you ordained them a prophet to the nations.” When they fearfully say they cannot speak for they are a youth, you emphatically tell they shall go to everyone you send them to and they shall speak whatever You command them to. You tell them ‘Do not be afraid of their faces, For I am with you to deliver you,”.
Thank you Lord that you will touch and put your words on their mouths and set them over kingdoms, To root out and to pull down, To destroy and to throw down, To build and to plant.” Father your thoughts toward our children are plans to prosper them and not to harm them. The thoughts that You think toward them are thoughts of peace and not of evil, to give them a future and a hope. Thank you Lord that as we continually pray for our children and cover them with the blood of Jesus, you will protect our children wherever they go.

Thank you Father God you give our children and youth the power, insight and ability to get wealth and you have no respecter of persons. Men will bring our children the wealth of the Gentiles. They are mighty in the earth. Wealth and riches will be in their houses and your righteousness endures forever in their lives. In Jesus Name, I pray, Amen.
