

NEW BIRTH

Prophetic Word for New Birth July 2019

Sons and daughters,

I am doing a great work in you! I am faithful to perform it, and I have ordered the steps in your life. When you struggled sleeping at night because you worried about the cares of this world, you began second guessing the decision you had to make at work and church. I have brought peace and soundness back in your mind to let you know that I have taken care of those issue for you. When you struggled with loneliness due to missing your loved one and missing companionship, I have comforted your heart and brought joy in your spirit. Abide in Me and I will give you rest. While you are resting, I will give you answers to the “whys” in your life. You are questioning many decisions you had to make that you felt was the best decision at that time; some of the decision led to pain and broken relationships. Stop beating yourself up for what you had to do. Trust and rest in Me and celebrate the mighty works of My hand in your life.

Open your eyes and see how I see you; I see you as a church of many colors. Just as Joseph received a coat of many colors from his father as a gift, you are the church that I see like that coat. You are a gift to the world and you are favored. You are a major authority in the body of Christ and in My kingdom. Many churches, nations, and people will look to you to help usher in the revolution. There is a shift in the atmosphere that was birthed through your praise and worship. This shift has paused My hand of judgment among the earth. I shall use you mightily in this season to ignite fires in people to go and change their neighborhood, communities, and work places. The shift has come in the house of New Birth and your hearts have become pliable and ready to hear. Your hearts are ready to receive the manifested word and your minds are renewed and stable. I shall seal the cracks and misalignments in the different ministries with my blood. Unity is happening because your hearts are open and ready to receive. My will shall be done at New Birth.

The revolution will start with New Birth locally. Church bodies will come together to take over the injustices in the state. It will start with education, law enforcement, health regulation, and government. New Birth will be the forerunners in empowering other church bodies to help the helpless by coming together to tear down these walls. Every generation will be utilized in the movement and will help push righteousness among the earth. In this season, the body of Christ will take over the airways by singing and praising My name. The sounds of your praise is a war cry that will cause a vibration in the airways to scatter the enemy’s plans to attack the church. The sound will create a desire to draw near to Me and to love one another. Your weapon to attack the enemy will come from your worship. I have dispatched angels to surround you for your protection and to guide you during this time. Embrace your authority and walk in my grace for I will never leave you nor forsake you.
